**Applicant Agent:** Jenny Bailey, Parametrix  
719 2nd Avenue, Suite 200, Seattle, WA 98104

**Location of the Property:** The proposed development consists of a 3.5-mile stretch of property used as an interim trail and is located west of East Lake Sammamish Parkway SE and East Lake Sammamish Parkway NE between SE 33rd Street and Inglewood Hill Road within King County right-of-way in Sammamish, WA; within portions of Sections 06, 07, & 08, Township 24 North, Range 6 East, W.M. and Sections 29, 31, & 32, Township 25 North, Range 6 East, W.M.

**Water Body Name:** Lake Sammamish

**Shoreline of Statewide Significance:** Yes

**Environment Designation:** Lake Sammamish Shoreline Residential

**Description of the Project:** Request to improve 3.5 miles of the existing soft-surface interim East Lake Sammamish Trail, extending from SE 33rd Street to Inglewood Hill Road. The interim trail will be improved to a cross section of 12 feet of paved surface with 2-foot gravel shoulders and a 1-foot clear zone on both sides. In conjunction with the trail widening, associated activity will take place which includes: earthwork; drainage improvements related to the trail; culvert replacements to improve fish passage; construction of rest areas with benches; improved intersections and sight triangles; mitigation and habitat enhancement; tree removal and replanting; landscaping and fencing; and access and traffic control (bollards, striping, signage, etc.). The project proposal is located within the Shoreline Jurisdiction of Lake Sammamish which is a Shoreline of Statewide Significance. A portion of the project as proposed is located outside of the Lake Sammamish Shoreline Jurisdiction although is included in this permit for analysis of impacts under RCW 90.58.340.
